12. Snap 5 different murals
13. Show 3 places with live energy: music, sports, crowds, or events
14. Complete a neighborhood tour with 5 stops
15. Find 3 places your friends have never heard of

Brand-Specific Challenge Names for OutSpot

You can make these sound more fun inside the app:

1. **Breakfast Blitz** — Show your breakfast
2. **Cuisine Quest** — Visit 3 different cuisine restaurants
3. **Sunset Snap-Off** — Snap your best sunset
4. **Street Art Sprint** — Find 3 pieces of street art

5. **Coffee Crawl** — Show your favorite coffee shop
6. **Donut Drop** — Snap your favorite donut
7. **Active Spotting** — Show someone doing physical activity
8. **Hidden Gem Hunt** — Find a place most people do not know
9. **View Victory** — Capture the best view nearby
10. **Local Legend** — Show a small business you love
11. **Snack Attack** — Snap your favorite snack
12. **Park Points** — Visit a local park
13. **Brunch Battle** — Show your best brunch
14. **Mural Mission** — Snap a mural
15. **Weekend Warrior** — Complete 3 weekend spots
16. **OutSpot Original** — Visit a place you have never been
17. **Flavor Finder** — Try something new
18. **City Scout** — Snap a cool city location
19. **Sweet Spot** — Show your favorite dessert
20. **Spot Snap Win Challenge** — Complete any 3 challenges in one day

One important suggestion: for challenges involving people, use wording like “**show a public activity**” instead of asking users to photograph strangers directly. For example, “Snap a basketball game, running trail, gym sign, or public fitness area” is safer than “show someone doing physical activity.”

Health & Wellness Challenges

Daily Health Challenges

1. **Morning Walk Snap** — Take a walk and snap something interesting along the way
2. **Hydration Check** — Show your water bottle at a cool spot
3. **Healthy Plate** — Snap a balanced meal

Better Challenge Names For The App

1. **Wellness Walk**
2. **Friend Fit Quest**
3. **Hydration Hero**
4. **Healthy Bite Hunt**
5. **Step Snap Win**
6. **Park Partner Challenge**
7. **Smoothie Sprint**
8. **Bestie Brunch Battle**
9. **Walk & Talk Bonus**
10. **Workout Buddy Bonus**
11. **Sunset Steps**
12. **Fresh Air Find**
13. **Active Spotter**
14. **Mindful Moment**
15. **Healthy Hangout**
16. **Two-Person Taste Test**
17. **Buddy Battle**
18. **Friendship Food Crawl**
19. **Spot With A Friend**
20. **Move Together Mission**

A good format for OutSpot would be: **daily health challenges should be simple and low-effort**, while **friend challenges should give bigger bonuses** because they create social sharing, referrals, and repeat app usage

Use these to create the challenges algorithm.

Point Metrics -

Google Price Level	Place Type	Points
\$	Low-cost place	10
\$\$	Moderate-cost place	20
\$\$\$	Expensive place	35
\$\$\$\$ / Ultra luxury	Very expensive / luxury	50
Free / no price data	Parks, murals, views, landmarks, trails	5-15(Based on Popularity)

PLEASE ADD A TIMER TO THE SUBMIT FOR POINTS OPTION - USERS SHOULD ONLY BE ABLE TO SUBMIT FOR POINTS ONLY ONCE AN HOUR

Challenge Type	Points
Easy	10
Medium	15

Hard	20
Multi-step hard challenge	25

These challenges should be categorized by how much effort the user needs to put in to complete it.

Backend Subdomain Setup - COMPLETED

NOTIFICATIONS -

I am getting the notification for the messages, please have the team test the notifications for friend requests, new challenges, reminders about the challenges and leaderboard notifications to remind about the cash prize.

Looking forward to seeing the changes done as soon as possible. Please also make the check in process via geolocation more accurate. I havent tried it yet, but have the team bullet proof test it.
